

Valid UPI Handles

This is with reference to the circular issues by SEBI vide Circular no. SEBI/HO/DEPA-II/DEPA-II_SRG/P/CIR/2025/86, Dated 11 June 2025 and NPCI Circular NPCI/UPI/OC/217/2025-26 dated 3rd July 2025.

In this regards we would like to inform you that we have successfully implemented the valid UPI address and QR code for secured payments.

We are using a validated UPI ID for payment, please prefer to pay us at

Broking Related Transaction:

dealmoneycommodities.rzp1.brk@validhdfc

Depository Participant (DP) Related Transaction.

dealmoneycommodities.rzp1.brk@validhdfc

The investors can choose their preferred mode of payment, such as UPI, IMPS, NEFT, RTGS, or Cheques. If an investor opts to use UPI for the payment, then they have to do so only using the new UPI IDs as mentioned above. Investor can scan the QR code and do the payment, as scanning a QR code is more secure and reliable.

Steps to follow the Fund Transfer to your trading account using UPI

- Log in to your Dealmoney Commodities trading account and Click on Money> Add Fund.
- Fund transfer option will show on the screen.
- Now enter the Amount you want to transfer
- Select the segment in which fund need to be transferred.
- Click on Razorpay option and Choose the "UPI" option for fund transfers.
- Click on UPI > option, now you may be prompted to enter your UPI ID
- Enter your UPI id and click on continue button. Now it will show you the payment details. Click on Continue & pay.
- This will trigger a payment request on your registered UPI app (like Google Pay, PhonePe, or Paytm) where you will need to approve the transaction.

Check Your Balance in the Trading Platform

- Once the payment is done, your broker should show the balance in your trading account.
- For UPI or net banking: It usually reflects instantly or within a few minutes

- If it doesn't show up, don't panic. Wait a bit and check again. If it's delayed for more than a few hours, reach out to customer support at customercare@dealmoney.in with your transaction details.
